

## What is it?

WWW.FASALURAHMAN.COM is an online platform on which you can practise speaking English as per your convenience, never mind where you are and what you do!

Send us your voice clip on a specific topic, and we reply with a complete feedback in which our expert panel guide you to speak English error-free. We guide you to acquire an accent which is free from mother-tongue influence. We give you suggestions on the use of appropriate and contextual use of vocabulary. We send you links to useful videos, audios, articles etc. which help you better your English language communication skills.

Apart from the feedback, we provide you with written exercises, accessible from our website. Our Youtube channel is updated on a regular basis with useful grammar, vocabulary and pronunciation tips.

## Who is it for?

Our programme is for

- those who already speak English but desire to speak it error-free.
- those who wish to better their pronunciation and accent

Record your voice and send us the same via whatsapp. You may record your voice in our website too! Within 24 hours of your post, we will mail you a detailed feedback on your voice clip.

## How is [www.fasalurahman.com](http://www.fasalurahman.com) different from other institutions or websites?

Our services could be used at your convenience! You may send us your voice clip any time you are free from anywhere! What you would love is the privacy we offer! Even the trainers who evaluate your speech would not identify you as the ADMIN forwards your voice clips for evaluation with your identity number provided by the ADMIN, not with your name! Often, we provide you opportunities to interact with experts in the field via Skype so that you may experience 'live interaction'!
